Further details on application to the undersigned.

Circular letter No. 234, dated 10th January 1899, from the Superintendent of Mysore Government Stationery Depôt, to all the Heads of Departments and offices.

It is requested that annual Indents for Stationery and Printed forms required for the year 1899-1900 may be caused to be prepared correctly with due regard to the requirements of the year and forwarded to this office punctually on or before the 15th February 1899, as prescribed by Government. Casual requisitions for forms, needed as required, are often sent to Stationery Depôt which cause not only much inconvenience and delay in the despatch of other work, but entail loss to Government, when the forms have to be re-printed. The Indents should therefore provide fully for the requirements of the year.

2. Forms not sanctioned by Government should not be entered in the Indent. Sanctioned serial number of the form should invariably be given with precision and detail. Heads of Departments and offices are requested to scrutinize the Indents of their subordinate offices (both for Stationery and Printed forms) by comparing those of similar offices, with due regard to the requirements of each, countersign and forward Indents in duplicate to the undersigned on or before the due date, *viz.*, 15th February 1899.
